Dear Mr. Ackerman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 17, Column A, of the Detailed Summary Page of your report discloses \$24,246.52 in operating expenditures. The sum of all entries supporting that line is \$22,270.46. While it is permissible for the figure on Line 17, Column A, to exceed the sum of disbursement entries as a result of unitemized transactions, the sum of itemized disbursements may not exceed the total of the Schedules B provided. Please amend your report to correct this discrepancy.

-Please provide a Schedule A to support the itemized receipts included on Line 11(a)(i), Column A, of the Detailed Summary Page. Each person, other than a political committee, who makes a contribution in excess of \$200 per calendar year should be reported by the committee on Schedule A. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the aggregate year-to-date amount of contributions made by the person. (11 CFR §104.3(a)(4)(i))
